Form N–2—Registration Statement of Closed-end Management Investment Companies

Form N–2 is the form used by closed-end management investment companies (“closed-end funds”) to register as investment companies under the Investment Company Act of 1940 [15 U.S.C. 80a–1 *et seq.*] (“Investment Company Act”) and to register their securities under the Securities Act of 1933 [15 U.S.C. 77a *et seq.*] (“Securities Act”). Section 5 of the Securities Act [15 U.S.C. 77e] requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold. The primary purpose of the registration process is to provide disclosure of financial and other information to investors and potential investors for the purpose of evaluating an investment in a security. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities.

A closed-end fund is required to register as an investment company under Section 8(a) of the Investment Company Act [15 U.S.C. 80a–8(a)]. Form N–2 permits a closed-end fund to provide investors with a prospectus covering essential information about the fund when the fund makes an initial or additional offering of its securities. More detailed information is provided to interested investors in the Statement of Additional Information (“SAI”). The
